

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

March 24, 1999 LB 179A, 476

SENATOR JANSSEN: That's true.

SENATOR CHAMBERS: So we can't use you as the example because if you were the example,...

PRESIDENT MAURSTAD: One minute.

SENATOR CHAMBERS: ...such a sensible, intelligent man, we wouldn't even be talking about a bill like this, would we?

SENATOR JANSSEN: In a perfect world, we wouldn't, Senator Chambers.

SENATOR CHAMBERS: And with people like you the world would be brought that much closer to perfection because we wouldn't have these lunatics running around here carrying these concealed weapons. But since my time is almost up that's all the questioning I'll do, 'cause I wouldn't want you to get in the middle of an answer. But I hope it's clear that my intent is to worry this bill, to struggle with it, and do all I can to kill it. And because it is such a bad bill, it may be one of those things that will draw other things into its train and hurt them also. But my amendment that I'm offering now would raise that nonrefundable application fee to \$500, not just to put money in that strike force fund but to discourage some people from applying for these permits and carrying concealed weapons, such as my good friend...

PRESIDENT MAURSTAD: Time.

SENATOR CHAMBERS: ...Senator Dwite Pedersen.

PRESIDENT MAURSTAD: Thank you, Senator Chambers. Senator Schimek. Or, first, items for the record, please.

CLERK: Mr. President, thank you. Enrollment and Review reports (LB) 179A to Select File. I have amendments to be printed: Senator Kiel to (LB) 476; Senator Thompson, (LB) 476; Senator Brashear to (LB) 476. That's all that I have at this time, Mr. President.
